

THE ASSEMBLY FOR THE FUTURE'S REPORT TO THE
FREE EARTH ARCHIVE

01. The Ancestors

My **Ancestor's** name was _____ and something remarkable about their background was _____

The **Value** of _____ was important to them because _____

02. The Challenge

Before our people overcame the **Challenge** of _____, I remember _____

The **Challenge** conflicted with my **Ancestor's Value** because _____

03. Building the New World

When my **Ancestor** initially addressed the **Challenge** using the **Tools** of _____ and _____, they first began by _____

When _____ found out what my **Ancestor** was doing, they tried to stop them by _____

This meant my **Ancestor** had to take the following risk: _____

In these initial efforts, my **Ancestor** was successful in _____

Yet, more work was necessary to fully overcome the **Challenge** because _____

04. Remembrance

When my fellow Assembly member's **Ancestor**, _____, met my **Ancestor**, they worked together to _____

Their work was harder than they originally thought it would be because _____

Yet, our **Ancestors** rallied to overcome this by _____

Have we honored our **Ancestors** for their struggle?

What kind of utopia did your **Ancestors** build?
